Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Tuesday 29 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mostly cloudy. Increasing chance of showers later.

Today:
Often cloudy with a few outbreaks of showery rain through the morning. The odd brighter spell is likely during the afternoon, but more widespread showers probably developing by evening. Feeling rather cool in the east. Maximum temperature 20 deg C (68 deg F).

Tonight:
Showers continuing on-and-off overnight. Low cloud becoming rather extensive, especially north of London where it may be thick enough to give the odd spot of drizzle. Feeling rather mild. Minimum temperature 11 deg C (52 deg F).

Wednesday:
A dull start for many with a mix of showery rain and patchy drizzle. Rain slowly easing from most parts into the afternoon, and some bright or sunny spells developing. Maximum temperature 17 deg C (63 deg F).

Outlook for Thursday to Saturday:
Generally cloudy starts on Thursday and Friday with warm afternoon sunny spells and a few showers. Fresher on Saturday with extensive cloud and showers or longer periods of rain.
